## REASONS FOR ALLOWANCE

1. Claims 1-20 allowed.
2. The following is an examiner's statement of reasons for allowance:

Claim 1 recites, inter alia, *means for keeping said block spaced apart from said opposing surface when said block is fitted in the gap.*

Claim 10 recites, inter alia, *electrically insulating material disposed in the gap to keep the block spaced apart from each of said opposing end faces when said block is fitted in said gap.*

Claim 18 recites, inter alia, *inserting the block with said second electric conductor coiled thereabout into said gap while keeping said block spaced apart from each of said opposing surfaces.*

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
